SHELTIE QUOTE

Dogs attempt to give us what they think we want. Our challenge is to become the kind of person our dog thinks we are.

ADVERTISE ON SHELTIES ONLINE

There are three ways to advertise on Shelties Online. Purchase a display ad and tell the world about your latest win, an upcoming puppy, a spectacular breeding or a show preview. Breeders can take advantage of the worldwide reach of the Web by buying a Breeders Directory Listing or a Stud Dog Directory Listing. When potential puppy buyers and other breeders come to the site make sure they can find your contact information easily with these two great listing services.

The lead ad is by reservation only and costs \$75. Interior ads cost \$52. We accept payments by check, payable to "Shelties Online" or by credit card online through [PayPal](#). Display ads are published Saturday and appear in the ad tunnel for a week, on the contents page for a month and then in the ad archive for a year.

By sending us a photo and ad copy, we can design an attractive ad for you or you can submit your ad finished. Contact us by e-mail at sheltiesonline@fastmail.us for lead-page availability or specs if you are designing your own ad.

Each extra photo is \$10 and you can enhance your ad with a pedigree for an additional \$10.

Breeders can advertise their kennel by purchasing a [Breeders Directory Listing](#) for \$75. The listings are organized by state and may be updated with new litter news throughout the year.

For \$52 breeders can also list their stud dogs for a year in our

[Stud Dog Directory](#), which includes a photo, three-generation pedigree and all the information necessary for bitch owners to contact you.
