Dam: Granite Gables Simply Sarah  
Breeder: Rose Marie Doran  
Owner: Patricia O'Dell, Rose Marie Doran

### Reserve Winners Bitch

### SHELTIE QUOTE

The way light plays across and unexpectedly illuminates forms prompts me to pick up a pastel or brush. It is the challenge of depicting that light and the nuances of the colors that truly pulls me into the creative process. It is when the magic happens and the piece takes on a voice of its own. When I step back from the work to see what has transpired, I still experience that childlike wonder.
