SHELTIE QUOTE

Fifteen years ago we followed our lifelong dream of living in the country and raising and showing Shetland Sheepdogs. We found three beautiful grass covered acres complete with rolling hills and pastoral views. A quiet peaceful place to let our shelties run and play to their hearts content. Our first Autumn was amazing with trees of reds, plums, golds and firey oranges. As we approached the first Oregon winter a small creek developed on the land. A surprise at first but with the rain and the new creek came the idea for our kennel name. The perfect choice would be Wintercreek Shelties.
